Dear Harold,

Thanks for your letter about the Joe Arnold show. I'm sure I had the time to devote to your work as I would like, I feel I did a pretty good job getting the facts out there.

Pretty interesting about Vince Buglosi and also the recent "burglaries."

Calendars are late this year.

As I understand, Clay Caldwell was added to your Senators & I was subtracted. Probably a good idea. I just don't know about my schedule with Mom in a nursing home. She lost weight from 135 lb. down to 118 lb.

WHAS + Joe Arnold did not want to do a M L King show this year. Too much truth for one station. We did one the last 2 years on M L King Holiday.

I have had a renewed interest in doing a documentary. About J F K.

I reading "Day of Deceit" about Pearl Harbor. Dave Lyons recommended. F D R & all knew the Japanese fleet was just off Hawaii. But Gen. Short refused to answer F O I A about all Pearl Harbor documents.

Making mistake, Bugliosi thinks all who disagree with him are nuts. Questioned him as a guest speaker at State Bar convention a few years ago.

Spoken to Jim Lesar recently?

I am in a better mental state. Mom is stable. Say "Hi" to Liz.

Love,

Bill Kurtis

P.S. I am looking for typewriter ribbons!

By the way, did I bitch that I am madder than hell about the election?

"Al Gore in 2004!"

Working with you prepared me for the death of democracy.

US has had 2 overthrows + 1 attempt in my life:

JFK, impeachment of Clinton, 2000 election. Not to mention murder attempts on Reagan, Ford + Clinton.
